

MELTECA®

MELTECA® Hi-Gloss Panels

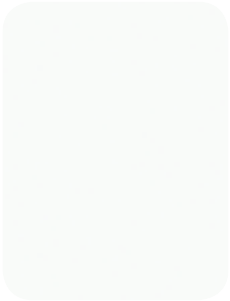

MELTECA® Hi-Gloss Panels add a new dimension to doors, drawers and other vertical kitchen surfaces. The decorated panels come in a Gloss finish for no fuss maintenance. Each of the 9 colours in the range has matching Gloss ABS Edging and is part of the Melteca Colour Range, making easy work of colour schemes. What's more, the range is backed by a 7 year limited warranty. Give kitchens a glossy new look with Melteca Hi-Gloss Panels.

Melteca Hi-Gloss Panels are marketed and distributed by The Laminex Group. A division of Fletcher Building Products Ltd. The colours depicted in this brochure are as close to Melteca Hi-Gloss Panels as modern printing processes allow. Colour/finish combinations are subject to availability. Colours/finishes shown are available at the time of publication, but may be withdrawn without notice. Dark colours and gloss finishes require more care and maintenance than light-coloured and lower-gloss surfaces. The Laminex Group recommends the use of laminate cleaning products (or mild household cleaning products) for dark colours, please visit melteca.co.nz for specific care and cleaning information. Please note that in certain lights or from certain angles wipe down marks may be visible. Melteca Hi-Gloss Panels are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Melteca Hi-Gloss Panels should be protected from strong direct sunlight as continuous exposure may cause discolouration or fading to the surface over time. Please obtain a copy of the terms and conditions of the applicable Melteca 7 year limited warranty from The Laminex Group or visit melteca.co.nz This warranty is in addition to any rights that may exist under the Consumer Guarantees Act (1993) See the website for more information on these products. **Melteca.**
